

REMARKS

Applicant is appreciative of the allowance of claims 1-7.

The specification of above application has been amended on pages 1, 2, 16, 17, 18 and 21 to correct the objections raised by the Examiner in the Office Action. We would like to note that at paragraph 2 of the Action, the Examiner asserted that the abbreviation "IMT" should read "Internet Media Type" (IMT). However, the Applicant respectfully submits that "IMT" should read "International Mobile Telecommunication-2000 (IMT-2000). ITM -2000 is a standard set by the International Telecommunication Union (ITU).

As the application is now in condition for allowance, favorable consideration is requested and the early issuance of a Notice of Allowance is solicited.

Respectfully submitted,

Paul J. Esatto, Jr.
